Governing States and Localities Electronic Version

American Politics and the African American Quest for Universal Freedom Hanes

Walton 2017-03-30 This dynamic and comprehensive text from nationally renowned scholars continues to demonstrate the profound influence African Americans have had -- and continue to have -- on American politics. Through the use of two interrelated themes -- the idea of universal freedom and the concept of minority-majority coalitions -- the text demonstrates how the presence of Africans in the United States affected the founding of the Republic and its political institutions and processes. The authors show that through the quest for their own freedom in the United States, African Americans have universalized and expanded the freedoms of all Americans. New to the Eighth Edition A new co-author, Sherri L. Wallace, is renowned for her teaching, scholarship, and participation in APSA's American government textbook assessment for coverage of race, ethnicity, and gender. She is the perfect addition following an election year that included female presidential candidates as well as candidates of color and issues focusing on racial tension and inequality. Offers a new Media Integration Guide for the first time. Provides the first overall assessment of the Obama administration in relation to domestic and foreign policy and racial politics in particular. Updated through the 2016 elections, connecting the Obama years with the new administration. Looks at candidates Hillary Clinton and Ben Carson in particular in relation to the themes of the book. Adds a new section on State Politics and Elections. Includes new sections on intersectionality dealing with issues of race, gender and sexuality; LGBT issues as another manifestation of the struggle for universal freedom; a discussion of the "Black Lives Matter" movement; and a new section focusing on the changing character of black ethnicity as result of increased immigration from Africa and the Caribbean. Discusses the way in which race contributed to the polarization of American politics; the connections to the Tea Party; and the Obama Presidency and the 2016 presidential campaign as the most polarized since the advent of polling. Previews the impact of the Trump Administration on matters of race and ethnicity.

State & Local Sourcebook, 2004 2004

Zwarte winter Connie Willis 2015-12-29 Wanneer geschiedenisstudente Kivrin de kans krijgt een tijdreis te maken, twijfelt ze geen moment: ze is gefascineerd door de middeleeuwen. Goed voorbereid vertrekt ze en komt aan in de veertiende eeuw, in een Engels dorpje, waar ze wordt opgenomen in een boerenfamilie. Dan wordt iedereen om haar heen ziek. Wat is er aan de hand? Kivrin ontdekt dat ze zich bevindt in het beruchte jaar 1348, het jaar van de Zwarte Dood. De pest grijpt genadeloos om zich heen. Zal Kivrin overleven en kunnen terugkeren naar haar eigen tijd? 'Het is een van de boeiendste boeken die ik in lange tijd heb gelezen.' Sarah Hart in Vrij Nederland

Governing States and Localities Kevin B. Smith 2019-01-03 "An easy-to-navigate, comparative book on state and local government. Very student-friendly and well-organized." --Jane Bryant, John A. Logan College The trusted and proven Governing States and Localities guides students through the contentious environment of state and local politics and focuses on the role that economic and budget pressures play in issues facing state and local governments. With their engaging journalistic writing and crisp storytelling, Kevin B. Smith and Alan Greenblatt employ a comparative approach to explain how and why states and localities are both similar and different. The Seventh Edition is thoroughly updated to account for such major developments as state versus federal conflicts over immigration reform, school shootings, and gun control; the impact of the Donald Trump presidency on intergovernmental relations and issues of central interest to states and localities; and the lingering effects of the Great Recession. Chilton 2018-08-29 While many introductory public administration textbooks contain a dedicated chapter on ethics, The Public Administration Profession is the first to utilize ethics as a lens for understanding the discipline. Analyses of the ASPA Code of Ethics are deftly woven into each chapter alongside complete coverage of the institutions, processes, concepts, persons, history, and typologies a student needs to gain a thorough grasp of public service as a field of study and practice. Features include: A significant focus on 'public interests,' non-profit management, hybrid-private organizations, contracting-out and collaborations, and public service at the state and local levels. A careful examination the role that religion may play in public servants' decision-making, as well as the un-ignorable and growing role that faith-based organizations play in public administration and non-profit management at large. End-of-chapter ethics case studies, key concepts and persons, and dedicated 'local community action steps' in each chapter. Appendices dedicated to future public administration and non-profit career management, writing successful papers throughout a student's career, and professional codes of ethics. A comprehensive suite of online supplements, including: lecture slides; quizzes and sample midterm and final examinations for undergraduate and graduate courses containing multiple choice, true-false, identifications, and essay questions; chapter outlines with suggestions for classroom discussion; and suggestions for use of appendices, e.g. how to successfully write a short term paper, a brief policy memo, resume, or a book review. Providing students with a comprehensive introduction to the subject while offering instructors an elegant new way to bring ethics prominently into the curriculum, The Public Administration Profession is an ideal introductory text for public administration and public affairs courses at the undergraduate or graduate level.

Securities Exchange Act Amendments, 1975 United States. Congress. House. Committee on Interstate and Foreign Commerce. Subcommittee on Consumer Protection and Finance 1976

Governing States and Localities, 3rd Edition and State and Local Government, 2011-2012 Edition Package Kevin B. Smith 2011-08 Governing States and Localities, 3rd EditionDespite reports of the recession nearing an end, states will have to struggle to make ends meet well into the foreseeable future. The choices are sometimes stark: trade-offs between roads and schools, public safety and health care. The new edition of Governing States and Localities responds to this reality with a new, sharper focus on economic and budget pressures. The chapter on finances comes earlier in the book, helping to frame each of the subsequent issues, and a new feature called &BAD:"States under Stress&BAD:" helps students see how fiscal and budgetary policy affects all areas of state and local governance.A brand-new chapter on the environment highlights the leadership role the states have taken in fighting climate change, creating green jobs, and combating pollution. Still a great blend of engaging journalistic writing, high-quality academic analysis, and the latest scholarship, the third edition has been thoroughly updated to account for such major developments as the recentralization of federalism under the Obama administration and the further politicization and rising costs of judicial elections. The authors have expanded coverage of referendums and direct democracy, as well as the increased role states play in homeland security.A series of well-designed features asks students to apply the comparative method (&BAD:"A Difference that Makes a Difference&BAD:"), to see how intergovernmental relations impact localities (&BAD:"Local Focus&BAD:"), and to see examples of how policies are actually implemented (&BAD:"Policy in Practice&BAD:"). An engaging full-color design, more than thirty maps, a vivid selection of photographs, updated tables and figures, and a marginal glossary all combine to keep your students focused and learning.For more information on Governing States and Localities, click here. State and Local Government, 2011-2012 EditionEvery year, editor Kevin Smith pulls cutting-edge selections from publications such as Governing, State Legislatures, State News, and Campaigns &BAD:& Elections to grab your students&BAD:' interest with highly readable and up-to-date articles that hit close to home. Nearly 40 new articles cover the significant issues facing state and local government with the same context and currency you have come to expect as hallmarks of this reader. The 2011&BAD:--2012 edition will help bring the latest analysis into your state and local government course.For more information on State and Local Government, click here.

State & Local Sourcebook for 1997 1997

Nee is niet genoeg Naomi Klein 2017-09-21 Hoe extreem Trump ook is, hij is een logisch voortvloeisel uit de meest kwalijke trends van de voorbije vijf decennia. Dat is wat Naomi Klein betoogt in *Nee is niet genoeg*. Ze laat zien welke kwaadaardige krachten schuilen achter Trumps opkomst, en poneert een activerende visie die een massabeweging in staat stelt in te gaan tegen opkomend militarisme, racisme en een toenemende privatisering van de overheid, zowel in de Verenigde Staten als in de rest van de wereld.

Governing States and Localities Kevin B. Smith 2013-12-19 In this Essentials Edition of *Governing States and Localities*, authors Kevin Smith and Alan Greenblatt retain the hallmarks of their bestselling introductory text by blending the latest scholarship with engaging journalistic writing, crisp storytelling, and class-tested pedagogy. Based on market feedback, the authors distilled core topics and cut out policy coverage some instructors do not have time to cover, but kept the ever-important finance chapter and a beautiful full-color interior design. This value-priced, ten-chapter text utilizes the comparative approach to ensure that students walk away from the course understanding how and why states and localities are both similar and different in institutional structure, culture, history, geography, economy, and demographics

Een heel stabiel genie Philip Rucker 2020-01-21 een schokkende reconstructie van

Trump's eerste termijn als president door twee topjournalisten met ongeëvenaarde toegang tot het Witte Huis In 2020 gaan de Amerikanen weer naar de stembus om een president te kiezen. Wat zou nog vier jaar Trump betekenen? Philip Rucker en Carol Leonnig nemen afstand van de dagelijkse waan van breaking news en Twitter voor een reconstructie van de eerste ambtstermijn. Op basis van meer dan 200 bronnen in en om het Witte Huis wordt een schokkend beeld geschetst van de dagelijkse gang van zaken in het Oval Office en van Trumps ontmoetingen met buitenlandse regeringsleiders. Terwijl het onderzoek van Robert Mueller over Russische inmenging en de impeachment van het Huis van Afgevaardigden boven Trumps hoofd hangen, proberen zijn ambtenaren voortdurend de veroorzaakte rommel op te ruimen. De auteurs geven een verhelderend beeld van de unieke invulling die Trump heeft gegeven aan het presidentschap. Volgens hen is het een vergissing om deze slechts als chaos te beschouwen. De pogingen van Donald Trump om de Amerikaanse instituties en internationale bondgenootschappen op de proef te stellen, zijn succesvoller dan verwacht. Philip Rucker is chef verslaggeving over het Witte Huis bij The Washington Post en versloeg eerder de verkiezingen van 2012 en 2016 en de regering-Obama. Carol Leonnig is onderzoeksjournalist bij The Washington Post, waar ze sinds 2000 werkt. In 2015 won ze de Pulitzerprijs voor haar artikel over wangedrag bij de Geheime Dienst en in 2017 (samen met Rucker) voor Ruslands inmenging tijdens de presidentsverkiezingen van 2016. Beiden zijn vaste gasten bij tv-zender MSNBC.

Governing States and Localities + State and Local Government 2016-2017 Smith 2016

Het Leven van de geest Hannah Arendt 2021 De drie delen van het hoofdwerk van Hannah Arendt nu eindelijk in één boek.

De haas met de amberkleurige ogen Edmund de Waal 2011-12-21 Geheel herziene, prachtig geïllustreerde editie. In september verschijnt de 12e druk van deze internationale bestseller. Edmund de Waal beschrijft op meeslepende wijze de geschiedenis van zijn familie en hun bijzondere netsukeverzameling. Van een ontluikend imperium in Odessa naar het fin de siècle in Parijs, via bezet Wenen naar het naoorlogse Tokio: tegen de achtergrond van een tumultueuze eeuw volgt De Waal de reis van de netsukes door de generaties van zijn opmerkelijke familie.
