[Handbook of Guitar and Lute Composers](#) HANNU ANNALA 2010-10-07 In compiling this landmark sourcebook, Finnish guitarists Hannu Annala and Heiki Matlik consulted more than 70 music texts as well as dozens of composer resumes acquired from the musical information centers of several countries. During the writing process, which lasted for more than three years, they received additional information from many modern composers, including Leo Brouwer and Reginald Smith Brindle among others. In addition, several internationally renowned performing guitarists provided valuable information; these include Magnus Andersson (Sweden), Remi Boucher (Canada), Margarita Escarpa (Spain), Aleksander Frauchi (Russia) and David Tanenbaum (USA) among others. The authors' aim was to write a well-structured book with separate chapters for each instrument, such as the Renaissance and Baroque guitar, the Renaissance and Baroque lute, the vihuela, etc. This unique structure enables the reader to easily discover which composers wrote for a certain instrument during any given period. In addition to the composers one would expect to find in such a comprehensive listing, the book documents several historical and modern composers for whom little previous information has been available. The book's list of more than 400 guitar and lute concertos dating from the Baroque era to the present day is a totally unprecedented. Short introductions regarding guitar and lute-like instruments as well as their basic histories are provided at the beginning of the book. The authors hope that the Handbook of Guitar and Lute Composers will serve as a practical guide for both amateurs and professionals, encouraging further study of the history of these instruments and expanding the repertoire heard on today's concert stage.

Classic CD. 1998

[Bossa, Samba and Tango Duets for Guitar & Flute Plus Percussion](#) Christian Reichert 2006-06-01 (Music Minus One). Here is a collection of Latin masterpieces, arranged for flute, guitar and percussion. Pieces include: Adios Nonino * Ausencias * Calambre * Contrabajando * Decarisimo * El Penultimo * Jeanne Y Paul * Leonora's Love Theme * Libertango * Oblivion * Rio Sena * Zita. **Four-Handed Monsters** Adrian Daub 2014-05-01 In the course of the nineteenth century, four-hand piano playing emerged across Europe as a popular pastime of the well-heeled classes and of those looking to join them. Nary a canonic work of classical music that was not set for piano duo, nary a house that could afford not to invest in them. Duets echoed from the student bedsit to Buckingham Palace, resounded in schools and in hundreds of thousands of bourgeois parlors. Like no other musical phenomenon, it could cross national, social, and economic boundaries, bringing together poor students with the daughters of the bourgeoisie, crowned heads with penniless virtuosi, and the nineteenth century often regarded it with extreme suspicion for that very reason. Four-hand piano playing was often understood as a socially acceptable way of flirting, a flurry of hands that made touching, often of men and women, not just acceptable but necessary. But it also became something far more serious than that, a central institution of the home, mediating between inside and outside, family and society, labor and leisure, nature and nurture. And writers, composers, musicians, philosophers, journalists, pamphleteers and painters took note: in the art, literature, and philosophy of the age, four-hand playing emerged as a common motif, something that allowed them to interrogate the very nature of the self, the family, the community and the state. In the four hands rushing up and down the same keyboard the nineteenth century espied, or thought to espy, an astonishing array of things. Four-Handed Monsters tells not only the story of that practice, but also the story of the astonishing array of things the nineteenth century read into it.
