**The Heart of a Soldier** Kate Blaise  
2005 A helicopter pilot with the Air Cavalry recounts the story of her marriage to a commissioned officer, describing how she turned down a dream assignment to stay by her husband's side during his Korea deployment, their shared horror at the September 11 attacks, and her husband's death in Iraq. 40,000 first printing.

*A Reporter's Lincoln* Walter Barlow Stevens 1998-01-01 Presents first-hand accounts of the life and times of Abraham Lincoln

**Memory of a Vagabond** Adam Ross Rapoport 2014-10-22 In 2010, Adam Rapoport experienced a life-changing epiphany. He wanted to travel the world, by any means necessary. But for the twenty-three-year-old son of an middle-upper-class family to do

so, he would have to drop out of graduate school. Undaunted, he sold his possessions and hit the road with a backpack and \$700 for the adventure of a lifetime. Adam wanted to experience the freedoms of homeless travel. Over the course of two years, he learned how to get around and survive on the road. He hitchhiked across the United States, he joined the crew of a sailboat and explored the Bahamas with a seemingly cursed captain. He then wound up working under the table in Central America. And finally, he studied under both wilderness survival experts and a spiritualist guru in Montana. Spiritual, adventurous, humorous, self-reflective, insightful, and even romantic, *Memory of a Vagabond* shows that following one's dream will bring you to places you never thought

possible.

*Dead Weight* Diane Sherlock 2002-01-16

"Shedding the wreck of a bad marriage, Tommi Winters impulsively takes a scuba diving class on a colleague's dare in reaction to the numbness that engulfs her at her husband's sudden exit. Enticed by the younger man who leads their dive trip to Fiji, Tommi discovers that misplacing her trust this time could end her life when greed surfaces along with the gold. Death and destruction swirl around her as she struggles for equilibrium and then survival."--Publisher's webwite.

**A Cancer Made Mess** Jessica Bell-Alvarez 2021-04-26 After suddenly being diagnosed with a rare form of aggressive cancer, I immediately started spiraling downward. Denial Loneliness Fear Depression Anger

Self-destructive behaviors My life was a disaster. I was a mess. I was doing just about everything I was instructed not to. All sense of responsibility flew out the window right along with my sense of morals. Further and further I slid into the deepest, darkest part of my life. I had come to terms with the fact that my life was over. I was going to die. Until I was rescued from not only cancer-but from myself.

**Shades of a Desperado** Sharon Sala 2017-05-15 Rediscover a fan-favorite story about love that never dies from New York Times bestselling author Sharon Sala. This lady loves the outlaw...forever. Night after night, the visions kept Rachel Brant from sleep—a hard-eyed outlaw straight out of the old West, claiming her as his woman. And though she knew it was

*Dear Fahrenheit 451* Annie Spence 2018-02-08 Have you ever wished you could tell your favourite books just

what they mean to you? Or wanted to give a piece of your mind to the 'must-read' book that you wish you hadn't? Librarian Annie Spence has done just that, writing letters to the books under her care, from love letters to *Matilda* and *The Goldfinch*, to snarky break-up notes to *Fifty Shades of Grey* and *The Hobbit*. Annie's letters will make you laugh, remind you why you love your favourite books, and give you lots of new entries for your reading list. She's also on-hand to help out with your bookish dilemmas: recommendations for lazy readers; excuses to tell your friends when you'd rather stay home reading; and how to turn your lover into a reader. Hilarious, compassionate and smart, *Dear Fahrenheit 451* is the consummate book-lover's book.

**Make 'em Laugh** William F. Fry 1975  
**Finding Zsa Zsa** Sam Staggs 2019-07-30  
For decades, the Gabor dynasty was the epitome of glamour and fairy tale success. But as biographer, film historian, and Gabor family friend Sam Staggs reveals, behind the headlines is a true story more dramatic, fabulous, and surprising than their self-styled legend would have you believe . . . In 1945, after barely escaping Hitler's invasion of Hungary followed by "liberation" of the country by the Red Army, three members of the Gabor family—Jolie, her ex-husband Vilmos, and their daughter Magda—arrived in New York City. In Hollywood, their other daughters, Zsa Zsa and Eva, had worked feverishly throughout the war years to secure their rescue from the Nazis' plan to exterminate the Jews.

Stepping off the boat, Jolie, the iron-willed matriarch, already had a golden future mapped out for her sharp-witted, cosmopolitan beauties. Over the next six decades, with twenty-three husbands between them (suave All About Eve star George Sanders would wed both Zsa Zsa and Magda), scores of lovers, and roller-coaster rides in film, television, theater, and business, the elegant yet gloriously bawdy, addictively watchable Gabors carved a niche in the entertainment industry that made them world-famous pop-culture icons. But beneath the artifice of Dior and diamonds was another side to the story they never revealed: the whole truth. This first verifiable history of the Gabors casts a startling new light on these extraordinary women. Finding Zsa Zsa reveals the

tumultuous and often unforgiven battles between mother and daughter, sister and sister, wife and husband; Eva's "bearded" romance with Merv Griffin that allowed them both to seek same-sex lovers; Zsa Zsa's involuntary confinement in a mental hospital; her life-long struggle with bipolar disorder; and her last-unconsummated-marriage to the manipulating faux prince Frederic von Anhalt. Here too is the untold story of Zsa Zsa's daughter, Francesca Hilton, a gifted photographer who eschewed the Gabor lifestyle and paid a sad price for her independence. The story of family patriarch Vilmos Gabor, who returned to Hungary only to be trapped behind the Iron Curtain, reads like a Cold War spy thriller. Culled from new interviews with family, colleagues, and

confidantes, and the unpublished memoirs of the author's friend Francesca Hilton, *Finding Zsa Zsa* finally introduces fans to the Gabor family they never knew, including many never-before-seen photos. It's a riveting, outrageously funny, bittersweet, and affectionately honest read of four women who were vulnerable, tough, charitable, endlessly fascinating, and always glamorous to a fault.

2022 by guest

Robinson Compostela (Tesseract Twenty) is an anthology of hard and soft science fiction stories that best represent a futuristic view of the sciences and how humanity might be affected (for better or worse) by a reliance in all things technological. The stories contained within the pages of Compostela are a reflection of the world we live in today; where science produces both wonders and horrors; and will leave us with a future that undoubtedly will contain both. Journeys to the stars may be exhilarating and mind-expanding, but they can also be dangerous or even tragic. SF has always reflected that wide range of possibilities. Compostela (Tesseract Twenty) features works by Canadian visionaries: Alan Bao, John Bell, Chantal Boudreau, Leslie Brown, Tanya

Bryan, J. R. Campbell, Eric Choi, David Clink, Paulo da Costa, Miki Dare, Robert Dawson, Linda DeMeulemeester, Steve Fahnstalk, Jacob Fletcher, Catherine Girczyc, R. Gregory, Mary-Jean Harris, Geoffrey Hart, Michaela Hiebert, Matthew Hughes, Guy Immega, Garnet Johnson-Koehn, Michael Johnstone, Cate McBride, Lisa Ann McLean, Rati Mehrotra, Derryl Murphy, Brent Nichols, Susan Pieters, Alexandra Renwick, Rhea Rose, Robert J. Sawyer, Thea van Diepen, Nancy S. M. Waldman. About the title of this anthology: For more than 1,000 years, Santiago de Compostela (Compostela means "field of stars") has attracted pilgrims to walk to the cathedral that holds St. James the apostle's relics. The stories in this anthology in their own way tell the tale of

futuristic travelers who journey into the dark outer (or inner) reaches of space, searching for their own connections to the past, present and future relics of their time.

What Jesus Learned from Women James F. McGrath 2021-02-26 Dehumanization has led to serious misinterpretation of the Gospels. On the one hand, Christians have often made Jesus so much more than human that it seemed inappropriate to ask about the influence other human beings had on him, male or female. On the other hand, women have been treated as less than fully human, their names omitted from stories and their voices and influence on Jesus neglected. When we ask the question this book does, what Jesus learned from women, puzzling questions that have frustrated readers of the Gospels throughout

history suddenly find solutions. Weaving cutting edge biblical scholarship together with an element of historical fiction and a knack for writing for a general audience, James McGrath makes the stories of women in the New Testament come alive, and sheds fresh light on the figure of Jesus as well. This book is a must read for scholars, students, and anyone else interested in Jesus and/or in the role of ancient women in the context of their times.

notice. With their options dwindling in this mazelike region that doesn't obey the laws of physics, the team joins forces with a beautiful and deadly woman who evens the odds on the battlefield. But while this warrior seems to be on their side, she has a secret agenda that could spell the end for them all... THE AMERICAN NIGHTMARE Since the nukeraust, the American dream has been reduced to a daily fight for survival. In the hellish landscape of Deathlands, few dare to dream of a better tomorrow. But Ryan Cawdor and his companions press on, driven by the need for a future less treacherous than the present.

### **Everything For Love** Kate Smith

2019-04-08 A wedding... Two exes... What could go wrong? All promises come at a cost, and Aiden has made many he

cannot break. Especially the one made to a man on his deathbed. Take care of our Savannah. Now he must learn to parent a teenage daughter he barely knows... without the benefit of the woman he loves. Once he navigates the two weekends at his best friend's wedding, he intends to embrace the future. Without Emily. Emily may have regrets, but she also has a career and life in Chicago and refuses to pursue a man to another state, no matter how perfect he seems. After watching the implosion of relationships around her, she's learned the art of self-preservation. If she could avoid Aiden, life would be so much easier, but first she has to get through her bridesmaid's duties in her friend's wedding. One where her ex-boyfriend is the best man and his ex-wife is the maid of

honor. Both vow to be on their best behavior to avoid ruining their friends' extravagant dream wedding. But saying that final might be harder than they imagined. What would you sacrifice for love?

### **Memories and Poems from a Sunny Clime**

Peter Harrison 2017-01-27 Peter Harrison has lived in France for over thirty-five years. He recounts some of his memories which have resulted in so many of his poems. From his arrival in Provence with his family and working as a chef in the Var, to his often exasperating but amusing thirteen years as the butler of a very eccentric millionaire in Monaco. He is now retired and lives in Eze.

**The Religious Art of Andy Warhol** Jane D. Dillenberger 2001-02-01 Two images of Andy Warhol exist in the popular press: the Pope of Pop of the

Sixties, and the partying, fright-wigged Andy of the Seventies. In the two years before he died, however, Warhol made over 100 paintings, drawings, and prints based on Leonardo da Vinci's The Last Supper. The dramatic story of these works is told in this book for the first time. Revealed here is the part of Andy Warhol that he kept very secret: his lifelong church attendance and his personal piety. Art historian and curator Jane Daggett Dillenberger explores the sources and manifestations of Warhol's spiritual side, the manifestations of which are to be found in the celebrated paintings of the last decade of Warhol's life: his Skull paintings, the prints based on Renaissance religious artwork, the Cross paintings, and the large series based

on The Last Supper.>

*Hoot 'N Gin* Michael N. 2008-11-03

When Virginia and Michael begin recovery from alcoholism in Alcoholics Anonymous, they correspond several times a week. They view letter writing and their deepening relationship as a lifeline in the chaos of change. Letters selected from over 2000 written during the next five years chronicle the raw material of their recovery. As their recovery becomes increasingly mired in conflict between the deception required to maintain their relationship and "rigorous honesty" required to attain lasting sobriety, Hoot and Gin (alter egos) spontaneously emerge in the writing. With the mobility of mental apparitions, these "kids" are traded back and forth by their adult

counterparts, nurturing, modeling new behaviors, broaching sensitive subjects, and teaching the healing art of laughing at self. They help the adults move through stuck places and give up stubborn resistance to change. For anyone contemplating recovery or living with an alcoholic, who is questioning how Twelve Steps can have any practical application to a situation as complicated as theirs, Hoot 'n Gin reveals how two skeptical people eventually find all twelve are gifts, not punishment. This trip through the Twelve Steps demonstrates how the act of letter writing can augment a recovery program by encouraging introspection, lending support, and measuring progress. *Good words for the young*, ed. by N. Macleod Norman Macleod 1872

**When Dark Clouds Pass** J. A. Frances 2016-04-28 Set mainly in Scotland during the early part of the last century, *When Dark Clouds Pass* revolves around the lives of two brothers born into a close-knit mining community. The protagonist, Iain Baird, despises his younger sibling, Alastair, and is jealous of the alleged favouritism he receives. Following the death of their father in a mining accident, Iain is held

responsible and is forced to leave the village. He finds employment in a Glasgow shipyard, and later in a munitions works where he becomes involved in the revolutionary socialist movement. Meanwhile their mother is determined that her younger son should have a better future, and encourages him to train as a teacher in Edinburgh. Despite going their separate ways, the two brothers are thrown together once more on the death of their mother. Events following the funeral ensure that they can never be reconciled; their enmity will continue to fester and grow, even as Europe is plunged into the abyss of war. Neither can escape the forces unleashed by the conflagration, whether on Red Clydeside or the killing fields of the Somme. Iain plays a leading role

[Giants of Asia: Conversations with Lee Kuan Yew](#) Tom Plate 2013-03-15  
Political genius is never without controversy, or without mystery. This is what makes it so interesting and so rare. Is Lee Kuan Yew the feral,

authoritarian figure that Western critics claim? Or a stoic pioneer in new approaches to developing a nation—uncorrupt, modern, almost scientific? American journalist Tom Plate first interviewed the founder of modern Singapore in 1996 in a continuing back-and-forth with LKY that led to the summer of 2009, when the former prime minister agreed to sit down for two days of unprecedentedly informal but intense conversations that led to this special book. This new edition includes fascinating excerpts from prior interviews, as well as the author's assessment of the man who goes down in history as the world's longest-serving prime minister—and as one of the most unforgettable political figures of modern times. "You have done a superb job of

### **Situated Ethics in Educational**

**Research** Helen Simons 2000 Ethics has traditionally been seen as a set of general principles which can be applied in a range of situations.

This book argues that in fact ethical principles must be shaped within different research practices and hence take on different significances according to varying research situations. The book develops the notion of situated ethics and explores how ethical issues are practically handled by educational researchers in the field.

Contributors present theoretical models and practical examples of what

situated ethics involves in conducting research on specific areas.
