Analog Photography Bo Belvedere Christensen 2022-03-29

Photography on analog film has simply put received a recent renaissance. In our digital age, I guess a romantic veil surrounds the analog approach to photography. Even when shooting digital cameras, we do postprocessing to simulate the look of analog film. We talk about the specific and beloved look of certain films, and how their sensitivity and grain add a charm to the image. Delving deeper, a reason for the analog renaissance might be our growing desire to slow down; to immerse ourselves and sharpen our creative senses by restraining the means with which we photograph. Where the digital camera is soon so perfect that we as photographers can sometimes feel redundant, the analog camera requires our undivided presence. These cameras are subject to the same limitations as they were in the

dawn of photography. You must visualize what you want to create beforehand, and you cannot rely on an lcd to feed you the result. Thus, in analog photography we are forced to slow down, plan, create the right circumstances, and capture the wanted picture at the decisive moment.

De Noordzeemoorden 2 IJskoud Isa Maron 2014-12-06 Op een koude novemberdag worden de doorgewinterde rechercheur Maud Mertens en de jonge Kyra Slagter weer samengebracht door een mysterieuze zaak. Twee jonge kinderen verdwijnen op bijna hetzelfde moment. Hoewel de politie met man en macht onderzoek doet, kan dat niet voorkomen dat er de volgende dagen meer kinderen ontvoerd worden. Er is geen enkele connectie tussen de verdwijningen: ze vinden overal in West-Nederland plaats, de kinderen zijn tussen de acht en twaalf jaar oud en er wordt geen losgeld geëist. Diverse Amber Alerts leveren niets op. Hoe meer kinderen verdwijnen, hoe groter de onrust in het land wordt. Voor Mertens vormen de verdwijningen een onwelkome herinnering aan een oude zaak waarin een jong meisje slachtoffer werd. Toch maakt dit juist dat ze verbeten achter de ontvoerders aan gaat. Kyra weet wat het is als een familielid wordt weggerukt en je vol vragen achterblijft: ontvoerd, vermist, vermoord? De zaak spoort haar nog meer aan haar eigen vermiste zus te vinden: vier jaar geleden verdween Sarina, zonder spoor of bericht. Tot Kyra ineens een briefkaart van Sarina ontvangt. IJskoud is het tweede deel in de spannende serie De Noordzeemoorden! 'Een mooie mix van gruwel en Hollandse "gewoonheid", onberispelijk en met veel vaart geschreven.'
