Language Edward Sapir 2004-09-10 An expert, accessible study, this book asks and answers fundamental questions about how language works, its regional variations, and its cultural and historical roles. The author relates linguistic issues to a broad spectrum of other areas, including the part played by language in the nature of thought and in artistic expression. No finer introduction to the subject exists, and this work's direct style and thought-provoking topics extend its appeal beyond the classroom.

Contes Français Wallace Fowlie 1990-01-01
"The selections are good and the translations are excellent."—Germaine Bree, New York University
Drawn from two centuries of French literature, these superb selections by ten great writers span a wide variety of styles, philosophies, and literary creeds. The stories reflect not only the beliefs of various literary schools, but the preoccupations of French civilization, at the various times of their composition, with the metaphysical and psychological problems of man. Contents include *Micromegas* (Voltaire), *La Messe de l'Athee* (Honore de

Balzac), *La Legende de Saint Julien l'Hospitalier* (Gustave Flaubert), *Le Spleen de Paris* (Charles Baudelaire), *Menuet* (Guy de Maupassant), *Mort de Judas* (Paul Claudel), *Le Retour de l'Enfant Prodigue* (Andre Gide), *Grand-Lebrun* (Francois Mauriac), *Le Passe-Muraille* (Marcel Ayme), and *L'Hote* (Albert Camus). Students of French, or those who wish to refresh their knowledge of the language, will welcome this treasury of masterly fiction. The selections are arranged chronologically, allowing the reader to witness the development of French literary art--from Voltaire to Camus. Excellent English translations appear on pages facing the Original French. Also included are a French-English vocabulary list, textural notes, and exercises. Unabridged, slightly revised Dover (1990) edition of the work published by Bantam Books, Inc., 1960.

Chekhov "Gooseberries"* Zoia Sproesser 2012-02-01 The Dual-Language Russian-English Book is based on an outstanding story by Anton Pavlovich Chekhov "Gooseberries". Chekhov is a well-known master of a short-story. The book is supplemented by the grammar section on Russian Noun: Declension by Cases. The Cases of Russian Noun present problems for those who try to master Russian language. This book is a pleasant combination of Chekhov's talent with the practical language study skill. The reader will kill two birds with one stone, or, as we say in Russian culture "will catch two rabbits": by enjoying the brilliant literary piece and having the opportunity to challenge his or her mind by glancing into the six Cases of the three genders of a Russian Noun. The book is an

Nine Centuries of Spanish Literature (Dual-Language)

Seymour Resnick
2012-10-31 This rich sampling of Spanish poetry, prose, and drama includes more than seventy selections from the works of

more than forty writers, from the anonymous author of the great medieval epic The Poem of the Cid to such 20th-century masters as Miguel de Unamuno. The original Spanish text of each work appears with an excellent English translation on the facing page. The anthology begins with carefully selected passages from such medieval classics as The Book of Good Love by the Archpriest of Hita and Spain's first great prose work, the stories of Count Lucanor by Juan Manuel. Works by writers of the Spanish Renaissance follow, among them poems by the Marqués de Santillana and excerpts from the great dialogue novel La Celestina by Fernando de Rojas. Spain's Golden age, ca. 1550-1650, an era which produced its great writers, is represented by the mystical poems of St. Teresa, passages from Cervantes' Don Quixote and scenes from Tirso de Molina's The Love-Rogue, the drama that introduced the character of Don

actually use! If you want to learn German quickly and have a ton of fun along the way, obviously, this book is for you! How Conversational German Dialogues works: • Each new chapter will have a fresh, new story between two or more people who wish to solve a common, day-to-day problem that you will most likely experience in real life. • A German version of the conversation will take place first, followed by an English translation. This ensures that you fully understood just what it was that they were saying! • Before and after the main section of the book, we shall provide you with an introduction and conclusion that will offer you important strategies, tips and tricks to allow you to get the absolute most out of this learning material. • That's about it! Simple, useful and incredibly helpful; you will NOT need another conversational German book once you have started reading and studying this one! Focus on getting

from zero to conversationally fluent, so you can: -Travel or live in Germany or any German speaking country without relying on Google Translate -Join German conversations with your German speaking coworkers, friends, or family members -Date German-speakers without embarrassing yourself -Stop getting passed over for jobs or promotions for less-qualified people who are bilingual We want you to feel confident while learning German; after all, there should never be a language barrier stopping you from traveling around the world and expanding your social circles! So look no further! Grab your copy of Conversational German Dialogues and start learning German right now!
