Stories in Letters - Letters in Stories Rebekka Schuh 2021-10-04 This book deals with letters in Anglophone Canadian short stories of the late twentieth and the early twenty-first century in the context of liminality. It argues that in the course of the epistolary renaissance, the letter – which has often been deemed to be obsolete in literature – has not only enjoyed an upsurge in novels but also migrated to the short story, thus constituting the genre of the epistolary short story. .

Origins of the Welfare State V4 Nicholas Deakin 2021-12-17 First published in 2004. Consisting of both shorter pieces and reprints of entire books, this set restores to circulation a number of key texts from the debate about the future of welfare that took place in Britain following the depression. The collection covers the following areas: The period during which the country felt the full impact of the world depression. A number of solutions were put forward during this time to address the arising issues - in particular the consequences of mass unemployment. The approaches ranged from orthodox Marxism to modified conservatism and "middle opinion" A key feature of the debate was the concept of planning as a device to enable governments to cope with economic and social problems. * A range of different ideas were widely canvassed during the war years. It was considered that successful conduct of war could then be applied to the problems of peace. This set resurrects certain proposals, influential in the climate of the times, which have subsequently dropped out of circulation Early assessments dealing with the implications of Welfare State legislation are also included. Although the implementation of the welfare programme was in effect a bipartisan process it did not take long for doubts to be expressed - some of which were directed at the principles on which the Welfare State was being constructed. Volume 4 includes 'Our towns / the Women's Group on Public Welfare' and, 'When we build again'.

Everyone Has an Everest Sandy Andrews 2003 Everyone Has An Everest is a story of inspiration! If you are looking to be revitalized and renewed, you must read this book. In it the author tells of her 12 year battle with Parkinson's disease. She explains how the disease took her health, her job, her car, her life's savings and her insurance. Ms. Andrews is also an educator with 31 years of experience. The book graphically describes her experiences as an inner city elementary school principal and how she changed a school who had five principals in five years. How she dealt with the debilitating disease and never missed a day of school. It will be useful to Parkinson patients and care givers because it gives specific information on how to obtain social security disability status, how to obtain food stamps, how to get Medicaid, how to deal with depression, Parkinson's Advocates and lobbying legislators. And most importantly, it describes the operation that gave her a second chance at life.

Happy Campers Audrey Monke 2019-05-07 Audrey "Sunshine" Monke, mother of five and camp owner-director, shares nine powerful parenting techniques-inspired by the research-based practices of summer camp-to help kids thrive and families become closer. Research has proven that kids are happier and gain essential social and emotional skills at camp. A recognized parenting expert, Audrey Monke distills what she's learned from thousands of interactions with campers, camp counselors, and parents, and from her research in positive psychology, to offer intentional strategies parents can use to foster the benefits of camp at home. Our screen-obsessed, competitive society makes it harder than ever to raise happy, thriving kids. But there are tried-and-true methods that can help. Instead of rearing a generation of children who are overwhelmed, anxious, depressed, and who struggle to become independent, responsible adults, parents can create a culture that promotes the growth of important character traits and the social skills kids need for meaningful, successful lives. Thousands of parents attest to the "magical" benefits of summer camp for their kids, noting their children return more joyful, positive, confident, and resilient after just a few weeks. But you can learn exactly what it takes to promote these benefits at home. Complete with specific ideas to implement the most effective summer camp secrets, Happy Campers is a one of a kind resource for raising happy, socially intelligent, successful kids.

Your First Two Years in Youth Ministry Doug Fields 2009-05-26 Since forever altering the course of the youth ministry world with his best-selling, groundbreaking book, Purpose-Driven® Youth Ministry, Doug Fields' mind—but especially his heart—has been focused on the many unique needs of new youth workers. Doug translated his passion, insight, and vision for his beloved "rookies" into what you're now reading, Your First Two Years in Youth Ministry—hands-down the most comprehensive companion to not only surviving, but also thriving, during the most crucial phase of youth ministry. Employing his renowned wisdom and humor—as if you and Doug were chatting over a long, relaxing meal—the author disarmingly relates stories and principles from his own successes and failures over 20-plus years in youth ministry. In the end, he offers treasure troves of practical advice, all in the hope that new youth workers can travel a smoother path and achieve real longevity in a church culture that all too often chews them and spits them out. Doug covers all-important issues such as: · Dealing with discouragement · Establishing a solid spiritual foundation · Building effective relationships with students · Resolving conflict · Ministering to parents and families · Trailblazing change · Working with volunteers · Defining a realistic job description · And many others! In addition, a chorus of insightful sidebar voices joins your conversation with Doug, among them ministry veterans Jim Burns, Steve Gerali, Mike Yaconelli, Helen Musick, Chap Clark, Marv Penner, Rick Warren, Jana L. Sundene, Bo Boshers, Duffy Robbins, Tony Campolo, and Richard Ross, all who've composed extensive, topical essays for each of the dozen chapters. Your First Two Years of Youth Ministry is a must-have tool for new youth workers, volunteers, seminary professors and students, senior pastors, elders, church boards—even veteran youth workers who've been ministering in unstructured environments and are now asking, "What did I miss? What can I still learn?" The first two years of youth ministry are never easy. But never fear. Doug fervently assures us: "Hang on. Hope's coming!"

The Predatory Society Paul Blumberg 1990-10 Who knows more about a business's shady practices than the people who work there? In this pioneering study, Paul Blumberg examines a wide variety of evidence, including over 600 accounts written by workers who disclose in elaborate detail the deceptions their employers practiced on the public. Employed in a wide variety of business enterprises--supermarkets, restaurants, fish markets, department stores, gas stations, drug stores, pet stores, and many more--these workers pull back the curtain and reveal the hidden recesses of the American marketplace. Blumberg documents these deceptions in numerous vivid stories, providing readers with a trenchant handbook on survival in America. He tells of stores that routinely mark prices up before a sale; gas stations that sell regular gas as high test; auto mechanics who spray-paint customers' old car parts and then charge them for new parts (in one gas station, the workers claimed that the mechanic's best tool was his paint can); and pharmacists who sell generic drugs and charge name-brand prices. But equally important, he provides an insightful analysis of why deception pervades the American marketplace. Though at times amusing, The Predatory Society is also frequently disturbing for what it says about private capitalism: how dishonesty is all but built into the American marketplace, and how this dishonesty has potentially disastrous effects on trust and community in our society.

The Economic Civil Rights Movement Michael Ezra 2013-04-17 Economic inequalities have been perhaps the most enduring problem facing African Americans since the civil rights movement, despite the attention they have received from activists. Although the civil rights movement dealt successfully with injustices like disenfranchisement and segregated public accommodations, economic disparities between blacks and whites remain sharp, and the wealth gap between the two groups has widened in the twenty-first century. The Economic Civil Rights Movement is a collection of thirteen original essays that analyze the significance of economic power to the black freedom struggle by exploring how African Americans fought for increased economic autonomy in an attempt to improve the quality of their lives. It covers a wide range of campaigns ranging from the World War II era through the civil rights and black power movements and beyond. The unfinished business of the civil rights movement primarily is economic. This book turns backward toward history to examine the ways African Americans have engaged this continuing challenge.
